SEEN AND HEARD BY LEVI BRADY GOLFING IN ARIZONA 2020

The Eagles as we are known had our 39th golf outing in Tempe Arizona beginning March 9th. We expected to have warm weather as we were starting later, however weather is totally unpredictable. It was raining the day we arrived and the forecast was for more the next few days. With that information some of the golfers pulled up stakes and returned home. We were able to play everyday and the rain only interrupted play one day for a short time.

We didn't have the blind draw competition because of the uncertainty of the weather, however all the golfers played a full round. We had the Earl Bowman/Richard Green Tournament and Tony Scheuerman won with a score of 74 and picked up \$300 for having the low gross. David Woods won the low net (Callaway scoring) with a score of 72. As far as skins four skins of \$40 each were won by "A" golfers and nine skins of \$25 each were won by "B" golfers.

The final day a scramble is played and the winning team of Ron Hunter, Mike Hoskins, and Derrick Morgan took first place and split the first place money of \$300. Since they were a team of three, they could take an extra shot each time. Second place went to the team of David Woods, Eric DeVese, Glen Davis, and Bruce Pierson and second place money \$240. Third place went to Tony Scheuerman. Patrick Burrage, Larry Clark and Derrick DeVese any \$180. Fourth place went to Tony Pankey, Larry Gray, and Eric DeVese and \$120. Fifth place went to Bill Walton, Lem Amen, Stanley Frelix, and Marc Ingram and \$60.

Members from The Sterling Club participating this year included Ron Scott, Stanley Frelix, Marc Ingram, Henry Wesley, Tollie Flippin, Tony Pankey, and yours truly.

Things started to be affected by COVID-19 the last day of the outing, Businesses began to shut down quickly and by Monday, March 13th many were not open.

It was an enjoyable outing and we are looking forward to the 40th in 2021. We are currently hoping for a solution to the coronavirus and that a treatment is developed soon. In the meantime, stay safe.

LESLIE GARNER PASSES AWAY

Leslie Garner suffered a stroke early in March and spent weeks in the hospital and nursing home until she passed away. Her oldest son, Reginald was with her until her passing and her other son, Paul came to be with her several times.

She fought a valiant fight and was well enough to spend some of that time at home, but eventually the medical issues became too difficult to overcome.

Leslie will be remembered for participating in the many activities of The Sterling Club and Auxiliary. They were active participants and always helped out when they could.

Her Husband John Garner was my sponsor and encouraged me to become a member of the club and I've had no regrets.

YVONNE HARRINGTON RECOVERING FROM CORONAVIRUS

Both Norm Harrington and Yvonne were in separate hospitals affected with COVID-19. Norm was in Bethesda and spent 10 days, however Yvonne was in the hospital for over three weeks. I did learn that she is now out so must be recovering, because when I first learned she was in the hospital she was in ICU.

Their son and his wife were also infected, but didn't have to be hospitalized. They did spend time being quarantined.

Thankfully, all prayers were answered and we hope all will continue until complete recovery.

GOLFING RESUMES

Golf is one activity that can now take place, however with some limitations. The virus has meant that all should maintain social distancing which should not be much of a problem on the golf course. The golfers play with hit balls in so many different areas of the course that they rarely come close to each other, except on the tee box.

It will be good getting outside and seeing other people. This is different and I now think of all the places that I think I would like to go.
