« Even remotely, the HTID was once again a fantastic opportunity to network with European entrepreneurs and investors! The first contacts made have allowed to start exchanges that have the potential to succeed this year. Moreover, the conferences and workshops provided new insights on key topics for Diabeloop: financing, regulatory ...»

Marc Julien, Co-CEO Diabeloop

Diabeloop participated as participant and also as speaker during HTID 2

«In 2020 HypnoVR participated for the first time to the Health Tech Innovation Days. Our main objective was to connect with investors. The COVID pandemic made it quite challenging but thanks to a virtual platform which became efficient quickly we were able to make some valuable connections with prospective investors.»
